# News Bulletin - Azan Shriners

## August Update

### BUSINESS NEWS FROM THE IMPERIAL SESSION IN JULY

This morning (8/1/2023) the WebFez Shrine Computer System was updated and the dues year changed from 2023 to 2024. It is what is called the "dues rollover." All balances shown on the members account will now be inclusive of and reflect the 2024 dues assessment. With this in mind, be aware of the following:

There was a proposal made at the Imperial Session that the Shriners International per capita (fee charged per member) be increased from the current amount of \$30.00 per year to \$60.00 per year. That proposal failed to achieve the required 2/3 members vote to be passed. An alternate proposal was made to increase it to \$50 per year (a \$20 increase) and that proposal passed. Thus the Azan dues breakdown for 2024 will be as follows:

Azan Annual Dues:	\$ 60.00
Shriners International Per Capita	\$ 50.00
Shriners Hospital Per Capita	<u>\$ 5.00</u>
Total Dues for 2024	\$ 115.00

Please note that if you want to save long term funds expenditure a member can elect to pay a life membership in any or all of the dues categories. Temple life dues are 20 times the annual fee or \$1,200. The SI per capita is 30 times the current \$30 which is \$900 and will increase to 30 times \$50 or \$1,500 January 1,

### **SESA August 9th - 12th**

Azan will be well represented at the Southeast Shrine Association this year as the Potentate ILL Sir John and Lady Danni and many from the Azan Legion Of Honor will be attending where the LOH unit has been successful in the competitions in years past. In light of this activity, the
