Secretary's Corner Nobles & Ladies,

Hope and pray all is well in your corner of the universe.

We are gearing up for the Halloween Haunted Hayride in October. Consider helping out this year and watch for emails with info about meetings. It's one of our main revenue events, so let's make it a total Club effort.

- **A reminder to all UNITS & LON.** The Board of Governors have added a requirement to all TGIF dinners served. **The kitchen must be SWEPT and MOPPED after each meal, please.** Thanks!

There are two events at AZAN this month. So let's try to support them. The AZAN First Lady's Project Breakfast is September 7th from 8-11 AM; and the AZAN BBQ is September 28th 12:30-3:30 PM. Hope to see you there!

Be sure to check out the menus for our TGIF's which are posted weekly on Facebook. There have been some yummy meals being served. Don't miss out!

Dennis Reddecliff, Secretary

Ladies of the Nobles (LCN)

Hello Ladies,

It's September already and that means that it's time for our first meeting since going DARK. That meeting is on September 11th. The BOD will meet at 2:00 PM with the LCN meeting following at 3:00 PM. It's been a quiet 3 months for us and I am looking forward to seeing everybody. Ladies Day out is coming up so please make sure to be at the meeting, as there are still some minor decisions to be discussed.

I would like to say a BIG "Thank You" to those of you who have supported our "Bakeless Bake Sale." This fundraiser is still ongoing and your donations go a long way in helping us to achieve our goals in doing our part in helping the children.

Thank you to everyone who helped and those who support our LCN TGIF at the end of August. There was a good turnout and the food was, of course, delicious!

Ladies keep an eye on all the available ways to find out the happenings at the AZAN Temple and NBSC. Please stay safe and well.

Diana Webber, LCN President

The Prez Sez:

Dear Nobles & Ladies,

As we turn the page on August and head to September, I want to take the time and **thank each and every one of you** for your continuous support and dedication to our Shrine Club. August was a fairly busy month at NBSC and I am proud that we had numerous rentals on the weekends which helps with our bottom line. Along with our **Paper Drive**, these rentals keep us visible in the community and help with the success of our philanthropy in helping **Our Children**. **Thank you** to all who donated time and effort to make the events of the entire Summer a success.

Our September Board of Governors' meeting is Wednesday, September 3rd at 6 PM followed by our NBSC monthly meeting at 7 PM. Please plan to attend. Bring your Ladies!

Don't forget to support your Lodge. Gateway Lodge No. 384 has its monthly **Breakfast on September 13th** from 8 AM until 11 AM. It's a full delicious breakfast for just \$10.

James Joiner and the Swamp Rats are providing support to our City and Country for a **Constitution Day Ceremony** and celebration on September 20th at NBSC. Please volunteer to help James with this worthy event. The Swamp Rats will be preparing the meal which will be served at 6 PM. Even if you are not a Swamp Rat, James can use your assistance.

I will be out of the Country for a few weeks in September and I have full confidence in our NBSC Officers to step up and lead in my absence. Our leadership has always been second to none and I know Jim North will carry on that tradition. Please show your support. I encourage you to bring friends and family to our gatherings. The service of our members remains at the heart of our strong organization and your dedication insures we can continue to support **Our Children and their Families**. Thank you again for your time, energy and devotion. I look forward to returning and celebrating more success together.

Reggie Biegler, President

THOUGHTS, GRINS & GIGGLES !

THOUGHTS ABOUT LABOR DAY

The First Labor Day was originated by Matthew Maguire celebrated on September 5, 1882 in New York City. President Grover Cleveland signed a law that the first Monday in September would be Labor Day in 1894. The interesting thing about Labor Day is that it's one of the few days in each year that most of us do not work! It was originally created to show public strength and esprit de corps of the trade organizations.
